

How Arlington Will Celebrate Christmas

Needy To Be Remembered

Arlington Heights, through various groups, will take Christmas cheer into many homes that might otherwise be missed by Santa. The Christmas barrel at Arlington Theatre Saturday, was filled to overflowing with staple goods that will help to swell baskets. Surplus, remaining, will be used later in the year when special needs are brought to the attention of the community nurse.

Arlington Heights Mother's club with Mrs. A. D. Hines as president, has assumed the responsibility for the list of names left by Miss Jackson for those families whose children attend the public schools, or are out of school.

St. Vincent de Paul society of St. James, will provide good things to eat for Catholic needy families, while the Young Peoples club of that church have been busy repairing and redecorating used toys that will make some boys and girls in their families happy on Christmas morning.

The Dorcas Aid of St. Peter Lutheran church, with the aid of other groups of that church are again spreading Christmas cheer among many families of that congregation.

Christmas Programs

ST. JAMES

St. James school held its Christmas program Wednesday evening in the school hall. All grades participated, but of special interest was the dramatization of Dickens' Christmas Carol. Walter Gendtner took the part of Scrooge.

The class rooms in this school are bubbling over with the Christmas spirit. Of special note are the wall and window decorations, all the work of the pupils. There are more than a few who evidently possess artist talent. It is a pleasure to visit this school.

PUBLIC SCHOOL

Both public schools are holding programs Thursday afternoon. The new auditorium stage at the north side school provides the setting for a fine program. The glee club, under the direction of Melvin Anderson will give several numbers and the orchestra, directed by Margaret Thompson will also have a part. A Christmas pantomime will conclude the program. Special scenery providing the proper stage setting of the Holy Land has been drawn by pupils of the school. A fine tree stands in the entrance hall of the school, decorations being through the courtesy of Mr. Haggenberg.

The south school also has its own Christmas trees around which the children of the various rooms have been singing Christmas carols morning and afternoon while the doors of the other rooms are open. Each individual room has its own program Thursday.

ST. PETERS SCHOOL

The pupils of the St. Peters parochial school will present their Christmas program of carols, poetry, and story on Christmas eve, Saturday. To accommodate the large congregation two separate programs will be given. Grades one to four will appear at 6 p. m. directed by their instructors Messrs. Landeck and Kranz. In the second program at 8 p. m., grades five to eight will tell the old story of the birth of Christmas in word and music under the direction of Messrs. Kolb, Preuss and Busse.

METHODIST SUNDAY SCHOOL

The Methodist Sunday school will present its Christmas program for the public Thursday evening, December 22 at 7:30 p. m. Santa will be there to hand around the goodies.

PRESBYTERIAN SUNDAY SCHOOL

The annual Christmas Eve program of the Presbyterian Sunday school will be held in the parish house Saturday evening, starting at 7:15 p. m.

The choir will give a cantata, "The Christmas Adoration," ending with an abridged Hallelujah Chorus from Handel's Messiah, Friday evening at 7:45 o'clock.

Trap Shoot Attracts Expert Skeet Shooters To Sportsmen's Club

The poultry shoot sponsored by Northwest Towns Sportsmen's club, attracted hundreds of expert and amateur shooters last week-end. It was held at the club's field located at Mt. Prospect Country club.

Among the experts participating were Bob Garland, state junior skeet champion; Guy Housley, sports writer of the Chicago Daily News, trap shot extra-ordinary; Harrison Kemnitz, expert handicap trap shooter and instructor, Dick Gentry, Marshall Fields gun department, kept pace with the best.

Many of the boys from Arlington Heights shot well against the professionals. Fred Hertel shot a perfect round of skeet, and was plenty "hot" from the 30 yard line in straight trap.

Mitz Martin, from Elgin Gun club, demonstrated speed in using a pump gun in skeet.

"Russ" Gaede, from Crystal Lake appeared handicapped by his new shooting coat, which was weighted down with perfect scores, arm bands," say the club sponsors.

Jake Krause also shot.

Prevents Scarlet Fever Epidemic

States Attorney Entertains

Chief Skoog of the Arlington Heights police force, with 18 other police chiefs from as many villages were entertained for about ten minutes Wednesday morning while assistant States Attorney Richard B. Austin issued what the Chicago press termed official warnings against the operation of speed traps.

Austin was asked by the police chiefs if it was his desire that there be no curb against autoists who disregard speed signs and traffic lights. He answered in the negative. He stated that justifiable arrests of law breakers should be continued. Speeding more than five miles above speed allowed on signs, he considered a pinch case, also the man who runs stop lights.

There was no scolding administered after a photographer had taken the flash that will appear in tomorrow morning's papers showing the faces of the police chiefs who were called on to "face the ire" of the state's attorney's office, the meeting was over.

Examination of the records of Judge Neuman of Arlington Heights showed that with the exception of a few cases where the speeding was done within a school zone, no arrests were made within the thirty mile zone unless the culprit was traveling 45 miles an hour. (Asst. States Attorney Austin said that arrests for speed of 35 miles an hour in such zones was justifiable.)

Chief Skoog took with him to Chicago a copy of the resolutions passed at the state safety meeting held at Peoria two weeks ago, which resolutions called on police officers to curb speed, arrest stop sign violators and not allow any ticket violators. The states attorney's office complimented those resolutions.

While that officer was still talking to the assembled police chiefs, Officer McBurns had made a pinch in Arlington Heights. Within 30 minutes the states attorney's office had fixed the pinch. Such ticket fixing activity, following closely the incident of two weeks ago when that office ordered the Arlington police to drop serious charges against the French consul, makes a police officer wonder what it is all about.

In the meantime, Arlington Heights is not operating a speed trap. It always gives the motorist a break, the judges assess moderate fines and the number of arrests are at a minimum for any town of similar size.

Service Stations to Close Sunday and Monday Afternoons for Christmas

Every service station in Arlington Heights will close Sunday afternoon, Christmas day and the following Monday afternoon. The service station proprietors and attendants get very few holidays during the year and they feel that the public won't kick if they spend a few hours at home with their families Christmas.

All stations will close at noon Sunday and open at 7 a. m. Monday. They will remain open until noon, when they will again close and remain so until Tuesday morning. Motorists are requested to make their gasoline purchases before these closing hours.

Buy New Postoffice Site In Des Plaines

Government plans for a new post-office in Des Plaines took another step recently with the purchase of a site from Romeo Sigwalt for \$18,000. The new building will be erected on the corner of Graceland and Webster avenues, opposite the present government building.

Plans for the construction of the building include making a structure in keeping with the city's historical buildings. It is expected that the building will be finished by 1940.

Grass Fires Call Out Fire Department; Also Possible Cigarette

Arlington Heights fire department was called out Sunday morning to extinguish a grass fire on the south side and again Monday afternoon for similar reason at Euclid and Dwyer. These grass fires are often carelessly lighted. The unnecessary calling of the fire department also costs money to the village. The general public should use caution in starting such fires.

The department was called to the Geo. Pfingsten garage on the south side Sunday morning when the inside of his car caught fire, probably caused by a cigarette.

Banks Will Not Be Open Christmas Or New Years Eve

The Mt. Prospect State Bank and Arlington Heights National Bank will not be open Christmas and New Years Eves, Saturday evenings, December 24 and December 31, but will be open those afternoons between two and four o'clock.

Arlington Heights citizens had an example of the value of its connection with the CTI last week when following the discovery of three cases of scarlet fever, the Chicago Tuberculosis Institute sent three nurses into the schools for a complete checkup of all children not in attendance. Every absentee was checked.

The nurses included Marie C. Buchle, director of nurses for the CTI in Cook county; Miss Theresa Yahnke, who is temporarily taking Miss Jackson's place and a third nurse.

There have been no new cases of scarlet fever and whether or not the work of the CTI nurses prevented an epidemic, the fact remains that Arlington Heights is practically free from contagious disease.

The health service is good insurance for Arlington Heights. Right now is an opportune time for parents who want such service continued to express their desires. Unless sentiment is aroused in favor of the project, there is a possibility that it will be discontinued after the first of the year, due to lack of funds. Additional organization sponsors are needed.

Buying Fire Hose Is A Complicated Job For Uninitiated

Arlington Heights board interviewed four representatives of fire hose manufacturers Monday night. It was a new and interesting experience for the representative of the press, as he gained an insight into the business methods of hose salesmen.

It seems that just because all of the bids submitted were alike, did not mean a thing, or did such bid establish the price at which the hose could be purchased.

"It only costs just so much to manufacture hose," were the words of salesman number 4 when he unblushingly offered to pay the "usual commission," to the village.

The usual commission in this case was somewhere between ten and fifteen per cent, which makes one wonder how many other concerns selling goods to municipalities indulge in similar policies.

The entire matter was left to a committee composed of Chief Volz and two members of the village board, who will wrestle with the job of trying to find out how low is the bed rock price for hose after all of the "commission" has been knocked off. That is the only way that Arlington Heights officials buy fire equipment.

Dr. Laufer Is Father Of Terrariums In United States

We do not know how many of our readers know what a terrarium really is, but Dr. Laufer, Arlington Heights garden specialist first introduced them in the United States forty years ago when he was with Vaucluse's. Today they are becoming very popular and Vaughns and other such houses are specializing in them at costs varying from \$1.25 to \$50.

Dr. Laufer, who retired several years ago from active employment with Vaughns, conducts his own green house on North Belmont and has constructed several terrariums for local people. He is prepared to do it for others. He is also carrying a line of flowers and plants for Christmas.

Arlington Red Wings Have Hopes For New Center Fielder

Arlington Red Wings, renowned baseball nine of the northwest suburbs, released word Monday from their home offices in Arlington Heights, that a big deal has been successfully completed for a new center fielder. The club has signed up a 6 pound 7 ounce youngster, so far unnamed, but with a great future ahead of him. If we take the word of his dad, Joe Brodnan, under whom this promising youngster will take his training for the center field position.

Joe is the present competent center fielder of the Red Wings, and expects to hold down the job until his glove can fit the hand of his protégé.

The son of Mr. and Mrs. Brodnan, who may have something more to say about this, arrived at the St. Francis hospital, Sunday.

Awaken To Find Auto In Living Room

Mr. and Mrs. H. L. Bastrup, residing at the intersection of McHenry and Dundee roads, west of Wheeling, were awakened at 11:15 last Wednesday night by a crash, which partly awoke their home. An auto traveling south on McHenry rd., which ends at that point had wrecked protection posts and entered the house.

Entering the living room, the Bastrups found the car occupants trying to locate the door so they could get out of the house, which their car had partly wrecked. They were uninjured, but the car was a complete wreck. Insurance was ample to cover costs.

Mr. Bastrup was busy this week erecting new barricades designed in the future to wreck runaway cars before they reach his residence. That they were much appreciated.

Christmas Services

A CHRISTMAS MESSAGE

For God so loved the world, that He gave his only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life. Human personality has been subjected to much disdain and irreverence before Jesus came on earth. That holy silent night of long ago was to reveal once and for all the infinite worth of human life when lived for God. That life was to be lived with a maximum of "God-consciousness" and a minimum of "self-consciousness". Every immortal soul before and after that time could be characterized by a similar consciousness. Here was the secret of life truly revealed. Here was a genuine witness of what the "Mastery of Life" consisteth. With Jesus' coming, man emerged from doom to destiny, from fear to faith. Love once more reigned Law. Love for God and Love for man became again the Heart of the Universe. Man's soul became paramount. Again on those wild Judean plains there re-echoed the glad refrain: "Glory to God in the highest, and on earth peace toward men of good will."

Again our spirits of love and devotion to this New-Born Son of Righteousness find their appropriate expression in the words of that master hymn-writer, Charles Wesley:

"Hail the Sun of Righteousness!

Light and life to all He brings;

Risen with healing in His wings;

Mild He lays His glory by.

Born that man no more may die,

Born to raise the sons of earth,

Born to give them second birth."

LUTHERAN CHURCH

Christmas will be observed at the Lutheran church in two services, German at 9:30 a. m. and English at 11 a. m. Special music features are the Christmas anthems by the Senior choir and the Children's choir under the baton of Mr. Preuss. Pastor Fricke will preach on "An Old Fashioned Christmas."

ST. JAMES CATHOLIC CHURCH

Christmas day will be observed with four masses Sunday. High mass will be celebrated at 5:00 and 10:15 o'clock with special Christmas music by the mixed choir and a Christmas sermon.

Low Mass will be celebrated at 7:30 and 9:00 o'clock, when children's choirs will participate in the service.

The sisters are installing a very fine Bethlehem crib in the church auditorium where it may be viewed by anyone.

PRESBYTERIAN CHURCH

Sunday school at 10:15 a. m. Morning worship at 11 a. m. Choir anthem: "O Holy Night" by Adolph Adam. Solo, The Birthday of a King, by Neidlinger, sung by Mr. A. E. Johnson.

Help! Help! Cry Seal Sale Committee

There are still 500 letters of Christmas Seals which have not been returned to the Seal Sale committee.

Won't you please turn in either your contribution or the unpurchased seals, so that it will not come necessary for some committee member to phone you and remind you of the forgotten seals?

Your co-operation will take but a short time. Think of the time your committee may have to spend if you neglect your part. The contributions to date amount to \$270.61, which means Arlington Heights is lagging \$45.00 behind last year's sales.

Teachers Spend Christmas At Homes

Practically all of the instructors in the elementary and high schools will spend Christmas in their respective homes. A small number of the teachers are home girls and will enjoy the holidays in Arlington Heights. Others will take advantage of the vacation to visit friends.

The Cardinal high school publication has polled the instructors in that school as follows.

Miss Clark expects to go to Dallas, Texas.

Miss Meier is going to Atlanta, Georgia.

Mr. Grose is going to be in Calumet City for at least part of his vacation.

Miss Muuss is going to be in Chicago.

Miss Funk will spend her vacation in Urbana, Ill., her home town.

Mr. Thompson will be in Manchester, Iowa, for part of his vacation.

Mr. Meyers is going way down the Mississippi to New Orleans for his vacation.

Mr. Diggins will be at home in Harvard.

Miss Minot may go to Cedar Rapids, Iowa.

Doris Clark of the elementary school will spend her vacation at Olewein, Mo.; Lavina Jansen at Rogers Park and Chicago.

The others who are going back home until school opens January 3 are: Elsa Bearse, River Forest, Ill.; Helen Williams, Tuscola, Ill.; Irene Laughlin, Wyaconda, Missouri; Dorothy C. Sott, Barrington, Ill.; Mary E. Buhl, Knoxville, Tenn.; Margaret E. Thompson, Rock Falls, Ill.; Melvin Anderson, DeKalb, Ill.; Argola Walk, Hunt, Ill.; Mildred Russell, Charleston, Ill.; Beatrice Paszotta, DeKalb, Ill.; Martha Sapp, Princeton, Ill.; Laura A. Grothe, Decatur, Ill.

Thanks Helpers

The Legion Auxiliary wishes to thank the American Legion, merchants and friends who contributed and helped them prepare Christmas boxes for the veterans at the Elgin hospital. Mrs. Rector visited the hospital Sunday and left the boxes with the veterans who showed that they were much appreciated.

Alums Play Regulars In Holiday Tilt

Arlington Alumni against the Cardinals! This is the basketball treat that is in store for Arlington fans during the Christmas vacation.

This classic is scheduled for next Wednesday, December 28. Coach Hayes is endeavoring to find one of the nearby schools which would like to pit its lightweight team against the Arlington "Lights."

The older alumni, constituting the team called the "Smith & Dawson's" have scheduled the strong Barrington Independents. This alone would be worth the price of admission.

But, of course, the "piece de resistance" will be the Cards vs. Alumni. The Alumni to play the Cardinals will be chosen from the grades of the past two years. There is quite a galaxy of stars from which to choose, some of whom are in condition from playing independent ball, and some are not.

The Cards will pit their youth and vigor and condition against the experience and willingness of these Arlington graduates. The Cardinals are hoping that tiring and less resilient muscles, and shortness of wind on the part of the alumni will come to their aid.

Those likely to see action for the Alumni are Chuck Kopplin, Barney Baxter, Don Hanauer, John Allen, John Amen, Vernon Lingel, Earl Weisberger, Joe Mueller, Harold Grismer, Bud Schneberger, Bud Mills, Bill Harrah, Bob Richards and others.

The Cardinals have been beset this winter by a series of minor injuries which have made it impossible to put the same team on the floor twice in succession. Some of the lads went through a grueling football season without being able to succumb to the rigors of basketball.

Among those who have been ailing are: Bob O'Hagan, out with a bruised foot. He missed the Palatine game and probably won't see action until after the first of the year. Kenny Koelling, the other starting guard, has developed a similar ailment and will not likely be able to play soon. Bartel was bruised up in the Maine game and hasn't been able to do much since. Beckman has been on the sick list and will be out for some time. Hull is still bothered with a sore knee. Milligan has been trying to develop a cold and has been slowed up considerably.

Since most of these are guards, it has been a job in the recent games to find anyone able to stop the enemy offense. At the time of writing, the Bensenville game is approaching with little likelihood of anything like a full team being able to take the floor against them. It is hoped, however, to have enough boys in shape to put a strong aggregation on the floor against the Alumni.

DR. J. H. FISHER DROPS DEAD AT HIS WOODSTOCK OFFICE

Dr. J. Henry Fisher died suddenly at his office in Woodstock late Wednesday afternoon. Arrangements for the funeral had not been completed up to the time that the Herald goes to press. However, it will be held in Chicago.

Grade School Board Announces Final Payment Receipt

The Board of Education, School District 25, Arlington Heights, has just finished in practically every detail all the preliminary work started a year ago with awarding the general contract for the North School on December 10, 1937.

The final payment on the government grant was received this week from the P.W.A.

Anticipating this, the school board held a special meeting last Sunday afternoon at the North School, and made a thorough inspection of the building from roof to basement.

While nothing but minor corrections were found to be necessary, a list was made to be turned over to Architect Godfrey E. Larson. This will be transmitted to contractor Axel E. Johnson and as soon as he reports the corrections made, the final ten per cent due on his contract will be paid.

The board, under President Nathaniel A. Carlson, announced itself very well satisfied with work of architect and contractor.

Fuel and Lumber Yards Close At Noon Saturday

In order to give employees ample time to enjoy Christmas Eve festivities the Arlington Heights fuel and lumber yards will close at noon Saturday, December 24. Users of fuel are asked to place their orders early in the morning and preferably the previous day.

Heller Lumber Company, Tibbitts-Cameron Lumber Co., Arlington Heights Elevator and Coal Company.

Remains of Lachlan Stewart Brought To Arlington Heights

The remains of Lachlan Stewart, husband of Carrie Stewart, nee Reed, were brought to Arlington Heights cemetery for burial Saturday. He was a member of Typographical Union No. 16, and past master of Avondale Lodge No. 921 A. F. & A. M., who conducted the funeral services. Oxford quartet sang.

Deceased leaves his widow, formerly of Arlington Heights, three sons, a daughter and three grandchildren. He had been ill a year and died Wednesday.

Start Work On Removal Of Service Poles On Campbell Street

Public Service workmen are busy replacing service poles along Davis street preparatory to the removal of existing poles on Campbell st., which will be free from telephone and electric poles in the near future.

State Approves New Traffic Lights Here

Arlington Heights can have a new system of traffic control lights on the Northwest highway as soon as the accumulations from the state gas tax reach \$6,500. Village Clerk McElhose read a letter from the state highway department at the village board meeting Monday night advising that body that approval of the state had been given to the plan to install a new system of traffic lights for Arlington Heights, the cost to be \$6,500.

Present accumulations to the credit of the village are ample to pay all costs of the Ridge ave. improvement completed last summer. The credit due the village each month varies from \$500 to \$800 and it will be summertime before all of the additional money needed will be available to pay the cost of the proposed traffic light improvement. The November credit is \$871.44.

In making the present plans the village purposely omitted State road in the expectation that the state highway department would pay for the lights on that corner from their own funds as the highways which intersect at that point are both the responsibility of the state.

Raw Milk Definitely Barred From Delivery

Present village ordinances prevent the legal delivery of raw milk in Arlington Heights. Such was the reply of Attorney Thal to Jacob Gerhardt, John Piepenbrink and others who appeared before the board asking by what legal right the police department had stopped Mr. Piepenbrink from delivering raw milk every other day to seven customers within the village limits.

Mr. Gerhardt extolled the health giving vitamins in raw milk and was told that if his physician, as a matter of health, prescribed raw milk for his personal consumption, the delivery would be permitted, but otherwise under existing ordinances that were passed by a previous administration, there is nothing that the present board can do about it.

Mr. Piepenbrink made it plain that his appearance before the board was only to learn exactly his privileges and it was not his intention to act contrary to the law.

The matter was held over until the next meeting to learn in what manner, if any, the village ordinance is in conflict with the state law.

Only \$39.50 Remains In Nurse Fund of Village

With the payment of \$150 authorized by the village board as the November payment to the CTI, there remains only \$39.50 in the fund that was originally setup to pay the village share of the nurse salary until May 1. That was the report of the village treasurer presented to the board.

The treasurer advised the board that a check for \$100 had been received from school district 25, which, with the balance on hand would be needed for the December payment.

Alman Krause, chairman of the finance committee, again reiterated previous statements that unless other agencies pay their share payments to the CTI would cease next month.

Special Assessments Spawning Off Village

The presentation of a bill for \$97 needed for postage for mailing of special assessment bills, brought about a lot of discussion. Such bills and a two percent collection fee for the treasurer's office are supposed to be paid from the special assessment funds.

For various reason there is no "kitty" in a great many of those funds to permit withdrawal of money for such purposes. In the meantime the village treasurer's office is performing the collection duties and incurring other expenses which are paid out of the general fund. The special assessments are sponging on the municipality.

If and when the final special assessments are paid, there will be money remaining to reimburse the village, but in the meantime, the job of finding some monies that can be so applied at this time, was turned over to village auditor, E. F. Laurin.

Assistant treasurer, Wm. F. Meyer, advised the board that all bonds in special assessment 36, had been paid by corporate warrants and any money in that fund could be rightfully claimed by the corporate fund. A motion was passed directing the treasurer's office to make such transfer with present balance and future receipts of that assessment.

Zoning Plan Now In Village Archives

Arlington Heights plan commission adopted on June 28, an ordinance plan that will serve as a guide to all future subdivisions platted within a mile and a half of the

corporate limits. The village board officially approved the plan August 1. That same body Monday night passed an ordinance officially recognizing the plan, which with the accompanying map was ordered placed in the archives of the village.

County officials do not accept any new subdivision plat near an incorporated village without first referring it to the plan commission of that municipality.

Fake Solicitors To Be Kept Out of Arlington

Attorney Hugo J. Thal presented an ordinance, copied after a similar code of Wilmette, which requires all solicitors going from door to door to secure a permit the issuance of which depends on the responsibility of firm which employ the solicitor, the nature of the business, etc. This is aimed to protect housewives from quacks and objectionable door bell ringers.

Other Board Actions

The board of health officer will be asked to present a monthly report to the board of contagious diseases.

Ordinance was passed authorizing county clerk to abate \$7,000 levy for public benefit from the 1938 tax levy.

Pay roll of the fire department for services at the second fire at the Paddock printing plant was approved.

Bills and payroll totaling \$2,752.69 were passed for payment.

Speeding and stop sign cases numbered 15 the last period with fines of \$62. Only 218 vehicle owners have availed themselves of the opportunity to save 25% of license fee by purchasing tags prior to January 1. Publication of a final notice regarding the discount was ordered.

George Harris presented a report of the session attended by him at Springfield in the interest of sewage treatment operation of such plants. He stated that he gained much valuable information.

Commend Officials

A resolution passed by the Searsdale Property Owners association, commending the village board and the board of appeals for its stand on the erection of a milk processing plant adjoining the park, was read as follows:

Whereas, a permit has been requested for the erection of a Dairy Product Processing plant on Northwest Highway at the south end of our Recreation Park, and

Whereas, a plant of such character would necessarily entail various processing features foreign to the common conception of a mercantile establishment and would introduce to this area an occupancy which in the opinion of many would detract from the pleasant surroundings of our park to no advantage of our residents in general, and

Whereas, this matter has been referred to the Board of Appeals for their consideration, who, after much deliberation, have seen fit to deny the permit believing its issuance would be in direct violation of our Zoning code.

Therefore, Be it Resolved that the Village Council of Arlington Heights employ its rightful authority to maintain the area referred to for its prescribed purpose and that the Board of Appeals be commended for its clear understanding of the issues involved and for the decision which they have made in the face of the determined opposition.

A Hopeless Job

By C. W. Lussman of Sieburg Pharmacy

Search for facts to prove the gossip about great wealth accumulated by doctors of medicine from the fees paid by patients, is a hopeless job.

Men have been known to secure ample funds to enable them to live in luxury the balance of their lives, by salvaging a wrecked ship hulk. Neither long experience nor substantial investment were necessary to gain that life of ease.

Medical doctors salvage many humans wrecked and wracked by disease. We hear of such cases, experience them, and go complacently about our affairs without a thought as to whether or not the doctor receives his rightful due of salvage money, as does the ship salvager.

Are there those, who can, but have not, paid for the salvaging of their own broken health or that of some member of their family? There are.

That's the principal reason why the average income of medical doctors throughout the country parallels that of a trainman.

Christmas Cheer To Be Dispensed By Organizations

Christmas is a time of sharing, and the various organizations of Arlington Heights have been busy planning that none in the Village of Good Neighbors should be left out at Christmas time.

The Mother's club of the Methodist church have been busy for some weeks collecting and repairing toys for distribution. The Campfire girls have aided in this project by making some very clever toys at their meetings. They also have presented Mrs. Hines, president of the Mother's club, with several boxes of Christmas cookies, which they have made. Sixty children of the village will receive toys and clothing through this group.

The P.E.O. are also distributing Christmas baskets to shut-ins, the Legion and Auxiliary will distribute food stuffs received at the movie Saturday, through the nurse. Theta Chi sorority are distributing Christmas baskets, and many individuals have asked for names for Christmas giving.

The various organizations of the churches are taking care of their own needy families in so far as possible. It appears that all in the village will celebrate Christmas in a happy way.

P. E. O. Enjoy Yule Party

The P.E.O. Chapter of Arlington Heights entertained their husbands at a Christmas party at the home of Mr. and Mrs. John Cumber Monday evening. The evening was spent playing games and refreshments were served.

WELCOME CLUB ENJOY
Thirty-eight members of the Welcome club of the Lutheran church met last Thursday afternoon in the school for a one o'clock luncheon and Christmas party. Rev. Fricke read a Christmas story, after which games were played and a gift exchange held. Mrs. O. O. Koch was chairman of the entertainment committee.

Methodist Church Presents Pageant

As is their usual custom, the Methodist Sunday school and Junior and Adult choirs presented a beautiful Christmas pageant "The Nativity" Sunday evening. The sanctuary was decorated with Christmas greens and lighted candles in the windows, were most effective. The pageant was under the direction of Mr. Jack Everett.

Junior Womens Club Guests At Mrs. Capps

The Junior Woman's club were guests of their sponsor, Mrs. Alfred Capps, Monday evening, when they met to enjoy their annual Christmas party and gift exchange. Games and bridge were played, and the hostess served delightful refreshments.

Fidelis Enjoy 'Kids' Christmas Party

A large group of members of the Fidelis Circle of the Methodist church met at the home of Mrs. Charles Scherf, Tuesday evening to enjoy a Christmas party.

The guests came dressed as children, and many and varied were the costumes. After a short business meeting, a Christmas devotion service was held and Christmas carols were sung by the group. The entertainment committee had provided games enjoyed by children and all participated in a Christmas grab bag. Refreshments were served by the hostess.

Jolly Eight Club Party

The Jolly Eight card club held a Christmas party Monday evening at the home of Albert Heuer, Rand rd. Guests were Mr. and Mrs. Albert Koch, Mr. and Mrs. Ed. Kolbe, Mr. and Mrs. Leo Jaacks.

THE PLACID PARENT

Good health is the best gift any parent can give a child, so the Placid Parent has been reading up on it again in the Parent-Teacher pamphlet "The Healthy Child."

Anniversary

Mr. and Mrs. Tom Dattalo were surprised on their fortieth wedding anniversary by many friends and relatives during the day at their home at 104 S. Highland. The Dattalos have spent 39 years in Arlington Heights, the past twelve years in their present home.

Christian Endeavor To Present Infirmary With Christmas Boxes

Forty-five inmates of Oak Forest Infirmary will be made happy by the Christmas boxes which will be distributed Friday afternoon by the Christian Endeavor of the Presbyterian church. The group want to thank all those who are donating these boxes to this worthy cause.

The Christian Endeavor is also donating twenty-five dollars toward Dr. Danielson's salary. Dr. Danielson is the only full-time Protestant chaplain at the Cook County hospital.

Miss Helen Palmer led the meeting last Sunday. There will be no meeting next Sunday, due to the fact that many members and friends will be away over the holidays, but there will be carol singing during this week.

Miss Grace Young, Rudolph Bauer In Wedding Ceremony

Miss Grace Young became the bride of Rudolph Bauer, Saturday afternoon at 5 o'clock, at the St. Peter's Lutheran church, of Arlington Heights, the Rev. H. C. Fricke, officiating.

Miss Young was attended by Miss Marge De Pue, maid of honor, and Miss Ada Teepel, bridesmaid. The groom was attended by Frank Gieseke, best man, and Walter Meyer, usher. Richard Dicky was ring bearer.

The bride was attired in ivory velvet with hat to match, and carried a bouquet of white roses and sweet peas. Miss De Pue wore royal blue velvet with a hat to match, and carried tulle roses and sweet peas. The bridesmaid wore brown velvet with hat to match and carried tulle roses and sweet peas.

Benjamin Dicky sang "Wedding Prayer," especially written for this occasion by Mrs. Benjamin Hagman.

A reception was held at the home of Mr. and Mrs. Valentine Bauer, parents of the groom, 830 N. Vail st., Arlington Heights. The young couple are residing at 30 S. Mitchell st., Arlington Heights.

Out of town guests were Mr. and Mrs. William Kreher, Mr. and Mrs. John Kreher, and Mr. and Mrs. John Schiamp.

Phone Girls Frolic

The telephone girls have worked so hard delivering messages to Santa Claus that they were rewarded by a special Christmas tree and gifts in their offices Monday evening when they gathered after working hours to celebrate the holiday spirit. They played Santa to each other and enjoyed refreshments.

Mrs. W. Pate entertained her bridge club Friday afternoon to a one o'clock luncheon and Christmas party. After an exchange of gifts, bridge was enjoyed.

The Book Nook

Some new books for holiday reading on the shelves of the local library are: "The Puritan in Babylon" by William Allen White, which is a biography of Calvin Coolidge; "Christmas Days," by Joseph C. Lincoln; "That's My Story," by Douglas Corrigan; "Remember the End" by Alice S. Turnbull; "Black Is My True Love's Hair" by E. M. Robert; "Mandrake Root" by Martha Ostenso.

Children are especially invited to spend some time of their vacation at the library where plenty of interesting reading material awaits them.

The library will be closed on Saturday, December 24, at 5 p. m. and all day Monday, December 26.

LEGION AUX NOTES
Mrs. Victor A. Peckham will be hostess to the American Legion Auxiliary, at an evening party, Thursday, December 29. There will be a Christmas tree and an exchange of gifts. Please notify Mrs. Peckham if you plan to attend.

Merle Guild Unit No. 208 of the American Legion Auxiliary, through its president, Mrs. Wisersky, wishes to thank the merchants and friends, who donated articles for the Christmas cheer boxes for the

veterans at Elgin hospital and wishes everyone a Merry Christmas and a Happy New Year.

Benefit Club Party

The Arlington Heights Benefit club held their last meeting for 1938 last Friday. Officers elected for 1939 were, Paul Stoekle, president; Carl Hoeft, vice president; Geo. Zimmer, secretary-treasurer.

The past year has been a successful one, especially in increased membership. New activities are planned to make 1939 even more eventful.

The president received a telegram from Santa Wednesday, saying he cannot be at the club until night at 7:30. There will be a tree and candy and nuts for all the good boys and girls. All members are requested to bring their children to see Santa.

Next regular meeting January 6. Installation of officers is to take place followed by refreshment.

Paul Stoekle, President.

MASONIC AND G. E. S. PARTY

The annual Christmas party of the Eastern Star and Arlington Masonic Lodge will be held Thursday evening at 7:30. Members and their children are invited to attend.

Mr. and Mrs. Chas. Peters, N. Dunton ave., will have merry Christmas when their children come home. Mr. and Mrs. Richard Miller and Mr. and Mrs. Richardson and the children come from Park Ridge.

Mr. and Mrs. W. A. Miles, Derbyshire Lane, will observe Christmas Eve with their traditional hospitality of open house to intimate friends, the cheer of an open hearth, mellow candlelights and congenial fellowship, assure all of a happy approach to the holiday season.

Among the guests are Mrs. Norman Copp, recently returned from Japan, where she was interested in musical study. Mrs. Helena Leach, charming vocalist, and Mr. D. W. Jarney, who has been visiting his family home at Batavia Beach, N. Y.

Mr. and Mrs. Richard Fleming and Miss Mary Fleming from McHenry county, called at the Rest Home Tuesday to bring the season's greetings to their sister, Mrs. Kate Pettibone. A happy visit for all.

Mr. Fred Swanson, North Highland ave., underwent an operation for removal of lower right limb Tuesday at the Illinois Masonic hospital.

Pre-Christmas party of Presbyterian Aid Society last week Thursday, was a pleasing affair, with large attendance, effective decorations and lighting, music and song. Luncheon served was abundant and satisfying and the place and packages revealed names of "secret friend," who had been watching and remembering the past year. A merry afternoon was enjoyed by all present.

Mrs. Augusta Peter and Mrs. Frankberg and children will be guests of the U. A. Reese family, Sunday evening.

Born to Mr. and Mrs. Jos. Brodian, a son, December 20.

Mr. and Mrs. Wallace Mors will come out from the city to spend Christmas Eve with their parents, Mr. and Mrs. Albert Mors.

Mr. and Mrs. A. R. Jasper and daughters will enjoy the holiday with Mrs. Rodine, Mr. and Mrs. Stanley Rodine and children, who will come from the city Christmas Eve and attend the Sunday school program of the Presbyterian church.

Mr. and Mrs. B. H. Jarvis will entertain a family group Christmas and Monday will adjourn to the home of Mrs. Charlotte Robinson and Miss Jarvis, in the city for second Christmas Monday.

Miss Hazel Owens visited friends at Ravenswood over Sunday.

Albert Ort of Verdi, Minn., is visiting his mother and sister, Mrs. Dora and Elsie Ort during the holidays.

IN MEMORIAM
Louis Volberding—in memory of our dearly beloved husband and father who passed away two years ago, December 18.

The sun and moon are shining,
On a lone and silent grave,
Beneath lies one we dearly love,
But whom we could not save;
Friends may think we have forgotten.

When at times they see us smile,
Little do they know the heartaches
That our smile hides all the while.

Mac Says

by GERALD A. MC ELROY

We knew that Bensenville was going to have a strong contender this year in basketball but Friday's 34-17 victory over Leyden indicates that the Bisons may be the champs this year or at least one of the strongest teams. The combination of Mathews, Escoria, Kuevli, Baumgartner, and Hills has thus far been the highest scoring quintet in the league.

Coach Johnson's team has a tough schedule ahead, however, which includes two with Palatine as well as single games with Niles, Leyden, Wauconda, and Elia.

A BIG TURN OUT

A crowd of close to 700 people witnessed the Palatine-Arlington double bill on the Palatine court Friday. It was the largest crowd to see a game at Palatine since the Barrington-Palatine game in 1935 which closed the season with the conference title at stake. This year's crowd at the Arlington game exceeded by a small margin the turn out last year.

AT BEST AGAINST ARLINGTON

Friday's Palatine victory was the eighth in the last nine heavyweight games between the two schools. There is no question but that the Pirates played their best ball of the season Friday and that their best playing of the 1937-38 season was the 42-20 victory registered against the Cardinals last January 28. On both occasions they hit the basket for an excellent average. However, the Cards got another chance at the Pirates January 27 on the Arlington court and they will be a lot tougher opponents then.

A REAL COMEBACK

While Wauconda is making a real comeback as far as the season is concerned, their rally in the game with Elia Friday was the best revival we have had called to our attention in some time. After Elia had taken a 13-3 lead after eight minutes of play Wauconda came back to win the game 27-21 holding the visitors to three points in the whole second half. Carl Herrmann's team which won one conference game has now won three straight home games of which two were official conference contests.

MAKE ALL STATE

Jack Myers, captain and 255 pound center of the undefeated Libertyville grid team, was recently named on the third all state football team. Langhorst, Arlington's tanky end was the other northwest conference player honored. Langhorst received honorable mention for his fine work on Arlington's undefeated eleven.

CARLETON VS. MARQUETTE

It is going to be a real homecoming Friday when Marquette's captain meets Carleton college on the Elgin high school floor. Graf of Elgin, Deneen of Harvard, and Adams of Dundee are Marquette regulars. Both teams have victories over Big Ten fives to their credit and it ought to be a game worth seeing. We expect to be there.

OFFICIATES AT DEKALB

Art Bergstrom has found little time to continue his work as an official since coming to Libertyville as athletic director. However, for five years he has been engaged in that capacity at the Dekalb half-day tourney and next week he will again be busy tooting his whistle and calling them as he sees them down at the teacher's college town.

NEXT WEEK'S ISSUE

Wednesday's games were played too late to make this issue of the Cook County Herald. Complete reports will be published next week. The scores appear, however, on the front page of some of the editions of the Paddock papers. They also appear the next morning in the Chicago papers. Harry Kincaid of Palatine is again handling this publicity for the City News Bureau.

Warren Title Hopes Saved By Gun

Warren had a close call Friday night, but managed to hold off a last period Antioch rally and win their third straight by a 27-26 score. The Gurnee five had a 17-10 lead at the half, but saw it reduced to 22-19 in the third quarter. Then the Blue Devils spurred ahead 27-19 but got a bad case of jitters and allowed Antioch to close the gap. The gun probably saved Warren from defeat. Warren won the game on free throws.

Warren's lights played their best ball of the season to pull away to victory in the second half after a tie score of 12 up at the intermission. The final count was 27-17.

Cards Lose To Pirates, By 39-20

Speed, Accuracy Of Palatine Quintet Outclasses Rivals

Palatine's Pirates made it three conference victories in a row Friday night when they took the measure of Arlington Heights in convincing fashion by a count of 39-20. It was the second one-sided victory in a row that Palatine has taken from Arlington as last year's score at home was 42-20.

After the first quarter which ended 7-6 the Pirates pulled steadily away from the shipping Cardinals, leading 17-10 at the half and 26-14 at the three quarter mark. Palatine scored 13 points in the last period. It was in this quarter that Arlington resorted to long shots and looped in three beauties from mid-court. The speed and quickness of the small Palatine boys drew many fouls and 11 points were made at the free throw line.

Both teams had good shot percentages from the field, but Palatine's was exceptional as they made 14 goals in 46 attempts for 30.5% while Arlington made nine goals in 42 shots for 21.4%. Charley Buenzo, the big Pirate guard, was high point man of the evening with 10 counters as well as playing a stand out defensive game. Snyder with nine, Hollinger with seven, and Hahnfeldt with six followed in order for Palatine. Mayer scored eight points to top the visitors. Kehe with two baskets in the first half and Milligan with the same number in the final period did almost all the rest of the Arlington scoring. O'Hagan, Cardinal guard, did not see action due to an injury.

Palatine's lightweights were unable to cope with the superior speed and experience of the Arlington team and lost, 18-10, Friday night. Two of the Arlington boys had a height advantage, but otherwise the teams were well matched in size. Illness handicapped the losers and at least one of their players saw but little service.

Although Arlington controlled the ball throughout the first half, they started slowly and worked in for but few shots, making only one of those. Palatine scored three points on free throws and the score was 3-3 at the quarter.

Arlington scored twice from the field in the second quarter and Palatine failed to tally. The score was 7-5.

In the second half the height of Thoman and Henken enabled Arlington to move out in front by six points. They added two more in the fourth to make a final eight point margin.

Ehret led the Palatine scoring, getting both of the baskets which his team collected, and one free throw. Pasch secured the rebounds frequently on the defensive. Birks and Hildebrandt drove hard and shot freely, but could not connect. For Arlington Koenig and Miller turned in a fine game as guards. Thoman, Peters, and Bob Busch were best on offense, passing and dribbling well. Thoman was especially effective on rebound play. Peters tied up the Palatine attack constantly and worked through the zone defense with ease.

Itasca In League Lead Alone

Palatine Knocks Park Ridge From First Place Tie

by CARL WEINRICH

Palatine continued their winning streak last Saturday by defeating Park Ridge 37-29. It was a hard fought battle and Palatine had to give their best to subdue their opponents. The defeat dropped Park Ridge out of the lead. C. Haemker brought 17 points for the victors. Brunger had a total of 9 points for the losers.

Des Plaines kept pace with Palatine by defeating Glenview 29-22 in a close game. Both teams played a fast driving game. A. Meyer missed several easy set-up shots that might have won the game for Glenview. His brother, Paul, however, scored 17 of the 22 points for his team. Kaitschuck took scoring honors for Des Plaines with 12 points.

Arlington defeated River Grove 20-25 in a rather slow game. The Arlington boys seemed to be satisfied with just enough points to win. Several times they could have scored points by driving in, but they took it easy and played more of a defensive game. The points were pretty evenly distributed on both teams. E. Weisgerber perhaps was the outstanding Arlington player. The Arlington team played without the services of their great guard, Luerssen, who was unable to play due to an injury suffered at work.

Glenview beat Norwood Park 40-35 in a good game that had the people on edge most of the game. The Norwood boys put up a great battle, but couldn't stop A. Meyer, who scored rather freely in the third quarter. He scored 18 points. S. Fill played a brilliant game for Norwood Park, taking scoring honors with 17 points.

Itasca scored a lopsided victory over Roselle, beating them 50-25. Roselle seemed to have their hands tied and couldn't score. Itasca in the meantime, kept up a terrific pace, scoring at random. E. Elbert went on a rampage scoring 22 points for his team. The Dierking brothers were held to 4 points a piece.
